

Wadebridge & Camel Estuary Practice

Patient Participation Group

Established 2011

What is a Patient Participation Group (PPG)?

A selection of patients and practice staff who meet at regular intervals to decide ways of making a positive contribution to the services and facilities offered by the practice.

The purpose of the group

- To give patients and practice staff the opportunity to discuss topics of mutual interest in their practice.
- To provide the means for patients to make positive suggestions about the practice and their own healthcare.
- To encourage health education activities within the practice.
- To develop self-help projects to meet the needs of fellow patients.
- To act as a representative group that can be called upon to influence the local provision of health and social care.
- To involve further patients from the wider population.

Some areas of work undertaken by the group

- Providing feedback from patients
- Being involved with patient feedback surveys
- Providing patient information such as newsletters and posters
- Improving facilities at the surgery
